

The Destruction of Troy and the Adventures of Odysseus

What was the cause of the Trojan War? Who was Polyphemus?
What did Circe do? What were Scylla and Charybdis? How long was
Odysseus away from his home in Ithaca?

This 64 page cartoon book in full colour based on the animated DVD
by Poseidon Films will appeal to both parents and younger readers.

Separate versions in French, Spanish, Latin and Classical Greek,
complete with word-lists, provide valuable reading practice for GCSE
students.

For an amalgamated sample, see accompanying page.

There is an inspection copy of the Latin version at the Senior House
reception.

Price per copy £15. All profits to go to St Anthony's School charities.

Part 1 The Trojan Horse

I am here to tell the story of a hero. His name was Odysseus.

He was a brave man who lived long, long ago. He helped to destroy the city of Troy.

Later, he sailed the seas with his companions, visiting many countries and cities ...

et a eu des aventures étranges et merveilleuses, comme vous allez voir.

Ulysse aimait ses compagnons et faisait de son mieux pour les protéger quand ils se trouvaient en danger. Ulysse régnait sur une île grecque qui s'appelait Ithaque.

Esta fue la causa de una larga guerra entre Grecia y Troya.

Son ami, Menelaus, était fâché parce que Paris, le fils du Roi de Troie, lui avait enlevé sa belle femme, Hélène.

Ulises llamó a su ejército para ir a rescatar a Helena. Las esposas, las madres y los niños fueron hasta la orilla del mar para decir adiós a los soldados.

Ulixes uxorem, Penelopen, et filium, Telemachum, iam infantem, relinquere debuit.

illo tempore in Graecia et dei et mortales erant. dei, sicut mortales, inter se pugnabant.

omnes viri et mulieres et liberi tristes erant. ubi naves discedebant, lacrimae in oculis multorum erant.
